- 1 **Bin Number** Ours look a little atypical, but this is how we find the wine in the cellar.
- 2 **Grape Variety** Pinot Noir, Cabernet Sauvignon, Chardonnay, Sauvignon Blanc, etc.
- 3 **Producer** The farmer, winemaker, or entity that made or bottled the wine.
- 4 **Appellation** At a minimum, a legal boundary for where the grapes come from, though it can also define style and production methods. Napa Valley is an example of the former, and Champagne is an example of the latter.
- 5 **Vineyard/Cuvée Name** A bit of a mix here. This goes beyond the legal appellation. It could be a cute name for a wine or something more technical like a vineyard or sub-appellation.
- 6 **Location** Larger definition of the wine's source.
- 7 **Vintage** The year the grapes were harvested.
